ASR news 2017- Emitter II Display

The ASR Emitter II has a new display !

*The Emitters II model 2017 has a new display with larger numbers
And a larger distance between the knobs- both matches better with
the larger dimensions of the Emitter II compared to Emitter I.
Also as a new colour a white display is available*

Emitter II yellow display

Emitter II blue display

Emitter II white display

Emitter II silver heatsinks yellow display

Emitter II silver heatsinks white display

Emitter II silver heatsinks blue display

Emitter II previous blue display
